

Milwaukee/NARI COMMITTEE PURPOSE

BY-LAWS COMMITTEE

Purpose: This committee is concerned with the structure of Milwaukee/NARI and its By-Laws. Good knowledge of non-profit associations is helpful.

EDUCATION/CERTIFICATION COMMITTEE

Purpose: Works with the Milwaukee/NARI Foundation to recruit members to become certified. Responsible for forming and leading study groups for NARI certification. The committee also promotes continuing education for Council members as well as promoting public awareness of the benefits of working with NARI certified professionals. All NARI certified professionals are automatically members of this committee.

Strategic Plan: Promote certification; establish education curriculum; make preparations for the annual Remodeler and Supplier Expo; and develop seminars that offer credits towards the Wisconsin Dwelling Contractor requirements.

ETHICS COMMITTEE

Purpose: This committee handles all ethical issues, consumer complaints, mediation, arbitration, the sample contract, etc. The committee meets every last Tuesday of the month at noon.

Strategic Plan: Review, update and promote the Code of Ethics; and develop member orientation program with the Education/Certification Committee.

FALL HOME & REMODELING SHOW COMMITTEE

Purpose: This committee is responsible for planning the Fall Home & Remodeling Show which is held in September. Planning begins almost immediately after one show is over and continues through the next one.

Strategic Plan: Enhance show offerings to consumers and members.

FINANCE COMMITTEE

Purpose: Responsible for preparing the annual budget and safeguarding the Council's sound financial status. Recommends to the Board of Directors regarding Council funds; i.e., CD's, money market accounts and mutual funds, etc. Knowledge of investments and business fiduciary responsibilities is mandatory.

GOVERNMENT AFFAIRS COMMITTEE

Purpose: Reviewing legislative matters that pertain to the remodeling industry, including local, state and nationally.

Strategic Plan: Build and collaborate on strategic alliances.

HOME IMPROVEMENT SHOW COMMITTEE

Purpose: This committee is responsible for planning the Milwaukee/NARI Home Improvement Show in cooperation with the Milwaukee Journal Sentinel. Planning begins almost immediately after one show is over and continues through the next one.

Strategic Plan: Enhance show offerings to consumer and members.

INSURANCE COMMITTEE

Purpose: Handles all of the insurance policies for Milwaukee/NARI. Seeks the optimal benefits for the Council at reasonable rates.

MARKETING COMMITTEE

Purpose: To work towards the goal of “All Contractors will want to be NARI members and all consumers will insist on working with only NARI members”.

Strategic Plan: Increase value of marketing for members and consumers. Improve public awareness of using a chapter member.

MEMBERSHIP COMMITTEE

Purpose: Anyone interested in securing new members for Milwaukee/NARI should sign up here. This committee discusses programs that will attract new members as well as retain the present members.

Strategic Plan: Refine membership categories; pursue targeted mailings to recruit new members; develop a membership mentoring program for new members; increase membership retention; and increase presence at area trade shows/open houses.

OFFICE BUILDING COMMITTEE

Purpose: Responsible for the orderly maintenance, integrity, and occupancy of the Milwaukee/NARI headquarters building. This group reviews any updating, or remodeling, which may be proposed within the confines of the building, as well as the surrounding grounds and parking areas. All mechanicals integral to the normal functioning of the structure are the responsibility of this committee.

PROGRAM/SEMINAR COMMITTEE

Purpose: This committee develops the best possible monthly programs for the general membership, including breakfast, lunch and dinner meetings.

SPRING HOME IMPROVEMENT SHOWCASE COMMITTEE

Purpose: This Committee is responsible for planning the Spring Home Improvement Showcase – A Tour of Remodeled Homes, organizing participant projects and developing advertising and marketing to promote participation and attendance.
